SDN ABSENCE POLICY - Our membership policy allows 4 absences within a six month period. (Special circumstances can be discussed on a case-by-case basis.)

In fairness to yourself and the entire SDN group, regular attendance *is a requirement of membership* because your category is being held exclusively for you. If you fail to attend on a regular basis, you are depriving yourself *and the group* of the full benefits of the investment in networking and your position can possibly be opened up to someone new.

If you have any questions, please call Membership: Scott Santana or Michael Dukart
