

We welcome you to enjoy two visits with us prior to submitting an application for membership.

We will buy your breakfast on the first visit, so please provide the treasurer with your receipt.

SDN membership dues are used for local business showcase events, educational speakers, radio or newspaper advertising and community involvement to help promote our networking group and individual member businesses. Your potential for contacts are not limited to the members in our immediate group, but multiplied outward to all the contacts, friends and family, of these members, as well.

When you submit a membership application you will need to provide a check in the amount of \$275 which includes a one-time processing fee of \$25 and annual dues of \$250.

Membership is by invitation according to category and acceptance depends on your application being carefully reviewed, verified and considered by the membership committee. You will be notified when a decision is reached as to whether or not we are a good fit.

We meet every Thursday morning as a requirement of membership.

Do you have any questions at this time?
